

**Amendment to ISRG Prio Services Subscriber Agreement
Applicable to State and Local Governments in the U.S.
Published November 1, 2020**

The following terms will apply to each state and local government and government agency in the United States (“State/Local Government Entity”) solely with respect to its use of ISRG Prio Services for de-identifying metrics data for official government purposes (“Official Use”), and all other terms of the ISRG Prio Services Subscriber Agreement (“Subscriber Agreement”) will remain in effect:

- A. *Governing Law:*** Terms of the Subscriber Agreement relating to governing law will not apply to the State/Local Government Entity’s Official Use.
- B. *Venue:*** Terms of the Subscriber Agreement relating to the venue or forum for disputes will not apply to the State/Local Government Entity’s Official Use.
- C. *Indemnity:*** Terms of the Subscriber Agreement relating to indemnification will apply to the State/Local Government Entity only to the extent expressly permitted by its jurisdiction's laws.
